

Dress Code

1. Clothes must be modest.
2. Tank tops must have a wide strap (no spaghetti straps), must cover the back/shoulder blades (no racerback), and shouldn't have oversized arm holes. Undergarments should not be seen.
3. No low cut dresses or see through tops.
4. All shorts must be at least mid-thigh length.
5. Bring shorts and a dark colored shirt for swimming, canoeing and other activities.
6. If possible, avoid sending flip-flops for daily wear and water games. Bring strapping sandals, water shoes, or old tennis shoes.

What-Not-to-Bring & Additional Expectations

1. No tobacco on the campgrounds.
2. No pets allowed.
3. Snacks are included in the fee. We discourage campers from bringing extra snacks. If snacks are brought campers should expect them to be shared with cabin-mates.
4. No fireworks or weapons.
5. Do not bring video game players, music players, or other electronics. There will be no time for your camper to use them, and they will be a distraction.
6. Cell phones: Campers will not need them during the week and will not be permitted to have them.
 - a. Your purpose in sending your camper is so they can retreat from the world, and cell phones are a distraction. They are expensive and can easily get lost or stolen.
 - b. Any cell phones brought to camp will be taken up by the camp staff at the beginning of the week and locked up for safe keeping.
 - c. If you need to contact your camper, we will be able to get them for you quickly and allow them to call you. Emergency Number: 479-331-4924
 - d. If your camper has an emergency they will be able to call you.
7. Do not bring valuables. Every year campers lose items they wish they had just left at home.
8. Do not bring cash money. The camp fee covers everything your camper will need while here. If they wish to buy a t-shirt or hat, the parent/guardian should purchase that in the camp store or put money on the campers account.
